

DERMAPLANING

WHEN YOU LOOK
IN THE MIRROR...

IS YOUR SKIN AS SOFT,
SMOOTH AND YOUTHFUL
AS YOU'D LIKE IT TO BE?

**A Dermaplaning Facial
may be the answer you're looking for.**

Dermaplaning is a gentle exfoliation that removes the top layer of dead skin cells and vellous hair revealing newer, younger, softer skin.

Skin breathes easier and active ingredients in skin-care products penetrate deeper to provide needed hydration and anti-oxidant support improving skin health.
